2011 Buffalo Raffle Winner

**The Troy Lions Club** is once again raffling a live mature bull buffalo guided hunting package on timbered acreage near Troy, Idaho! The package includes field dressing: meat, head and hide. We even provide a commemorative coffee mug!

**The winning ticket will be drawn December 31, 2018.** The hunt can be scheduled for anytime in January 2019.

**Why raffle a buffalo?** The opportunity to hunt a mature one-ton bull buffalo is rare. A raffle provides the greatest economic return on the animal: the rancher receives fair market value, and Lions programs receive financial support funded by raffle proceeds.

**Lions programs include** sight, hearing, health screening, diabetes, disaster relief, guide dogs, CARE, academic scholarships, food and clothing banks, youth recreation, EMT training, 4H, FFA, Distinguished Young Woman, and others.

**Buy as many tickets as you like!** Buffalo Raffle tickets are great gifts for everyone on your holiday shopping list!

*Excerpts from a letter from A. Brent Harshbarger, our 2011 raffle winner:*

“Shelley and I would like to thank everybody at the Troy Lions Club for organizing such a great event. Everyone made us feel right at home. We have had a lot of good life experiences and this one ranks among the very best! ...Many thanks to my guides and video-photographer, Steve and Ron. They did an excellent job and the video turned out just like a hunting show on TV. ...My buddies have been impressed (and jealous). I think there will be a few more tickets sold to the Missoula area next year... Again, we would like to thank you all so much. Brent and Shelley (pictured on the left)
